

OWL CREEK ADULT BASKETBALL LEAGUE

For all you old timers you know what this is all about! Yes, its time to sign up for the Sunday night Basketball League. I have included below an application and survey form to fill-out and return to me.

For the NEW residents and Others interested in playing in a semi-structured adult basketball league this Fall and Winter on Sunday evenings at Owl Creek listed below are the particulars.

We plan to have 8 teams, established by a draft, for all adults interested to play on Sunday evenings at 5, 6, 7, and 8 pm. The games are unofficiated, but structured, and league standings are kept. League is generally open to 30 years of age and older, but we encourage father-and-son play if appropriate. Any experience level welcome. Other exceptions may be made, call for inquiry. Season will start in early December late November and will run until March, culminating in a double elimination tournament for the Coveted Traveling Trophy. Preseason may start with a 3-on-3 one-day tournament if adequate interest. (Teams will be drawn from hat by position for the 3 on 3). Especially if you are a new player to the league you are encouraged to play in the 3 on 3 tournament. There is a small fee for the league to cover after game refreshments and t-shirt.

Please complete the survey below so that we may plan for the league and to help with the draft.
