

8/25/21 Email from Waste Management

# Important Service Information.

Dear Valued Customer,

Over the past two months we have navigated difficult circumstances while you, our valued Customer have responded with patience and understanding. For the month of September, we will continue to collect yard waste and recycling on every other week rotation. During this time, we will continue to collect two weeks of yard waste and/or recycling for each service. Yard waste will be collected on the weeks of August 30th, September 13th, and September 27th. Recycling will be collected on the weeks of September 6th, and September 20th. We look forward to your continued patronage and appreciate the opportunity to provide you with safe and reliable waste solutions.

Waste Management is currently training four new employees and is hopeful that regular service will return soon. Below is pick-up schedule for month of September.

**Please note the 2<sup>nd</sup> trash pick-up on Thursdays are still suspended until further notice.**
